

# CAMP

Centre for Applied Macro-  
and Petroleum economics

The Centre for Applied Macro- and Petroleum economics (CAMP) at the BI Norwegian Business School invites PhD students and scholars to a

## **Mini PhD course in Oil Markets and the Macro Economy, May 26-28, Oslo, Norway**

**With Hilde C. Bjørnland and Ragnar Torvik**

Professor Hilde C. Bjørnland (BI Norwegian Business School) and Professor Ragnar Torvik (Norwegian University of Science and Technology) are leading scholars in resource economics and macroeconomics. The course will cover advanced research in oil market models and discuss links between oil prices, the macro economy and monetary policy in oil importing and resource rich economies. Models of resource curse and the Dutch disease (or the lack of) will be covered from both a theoretical and an empirical perspective. Details are available from:

<http://web.bi.no/info/kurs2014.nsf/vWebKurslookupEng/DRE+7011>

The mini-course can be accredited as a course if participants complete an assignment at the end. To register for this course please go to: <http://web.bi.no/info/docreg.nsf/CourseRegistration!OpenForm&Seq=1#RefreshKW> Institution or email [phd@bi.no](mailto:phd@bi.no) for questions. There will be no fee for attending the mini-course, but participants are expected to cover their travel and accommodation costs. The number of course participants is limited.

For questions about the course content please email [hilde.c.bjornland@bi.no](mailto:hilde.c.bjornland@bi.no).

We hope to see you in Oslo in May!
